HELP AT EVERY STEP

Visualise your colour

Download our free **Visualizer** app that lets you see your room live in any colour before you paint it! Have fun trying hundreds of shades in real time by virtually painting your walls with a tap of a screen, find colour schemes to complete your look, or even pick a colour from your existing furnishings or favourite objects. Once you're happy with your virtual scheme, share your vision with family and friends directly from the app.
